YOUNG FORUM
20TH ERLANGEN INTERNATIONAL COMIC SALON
16 TO 19 JUNE 2022

Erlangen, December 2021

Dear Sir or Madam,

From 16 to 19 June 2022 the 20th International Comic Salon will take place in Erlangen's city centre. The biennial festival, which is organized by the cultural office of the City of Erlangen, is the largest and most significant event focusing on graphic literature and comic art in the German-speaking realm, welcoming more than 30 000 visitors every two years. The comic fair represents the core of the International Comic Salon and provides an ideal platform and meeting point for publishers, artists, dealers, agents, service companies and vendors of products related to comic art, graphic literature, cartoons, manga as well as illustration and animation. In 2022 the Comic fair will once again be located in fair marquees on the Erlanger Schlossplatz and in the Schlossgarten. Besides the fair, the unique four-day programme with more than 200 individual events offers selected high-quality exhibitions, the Comic Podium with lectures, panels and discussions, the Comic Film Fest, as well as readings, performances and workshops. For further information please consult our archive at www.comic-salon.de/en.

Since 2002 the Comic Salon hosts the **Young Forum**, an area at the center of the fair allocated to universities and academic programmes focusing on comics, graphic design, illustration and animation. Free of charge, the departments and students are invited to present and sell their work and to establish and build new networks with other students, professionals and visitors alike.

If you or students of your institution are interested in taking part in the Young Forum of the 20th Erlangen International Comic Salon 2022, we ask you to submit the following application forms, including a short description of your planned activities, by 18 February 2022. Once your participation has been confirmed you will receive an individual login which grants access to the exhibitor section of the festival website www.comic-salon.de. You will be able to create your exhibitor profile and order exhibitor badges directly online. In order to generate individual logins, the submission of both the application and **EXHIBITOR LOGIN FORM** is mandatory. Each institution is eligible for up to 20 exhibitor badges, which are exclusively reserved for employees and students of the respective university.

If you wish to contribute to other events, e.g. the Comic Film Fest, the panel and lecture programme or Family Sunday, we welcome your suggestions.

Should you have further questions, we are happy to assist you either by phone +49 (0)9131 86-1422 or e-mail at sina.schroeder@stadt.erlangen.de. We look forward to welcoming you at the 20th Erlangen International Comic Salon!

FACTS AND FIGURES

20TH ERLANGEN INTERNATIONAL COMIC SALON 16 TO 19 JUNE 2022

The Festival

The Erlangen International Comic Salon, which takes place every two years, is the most important festival for graphic literature in the German-speaking realm and has played a decisive role in changing the perception of comics in Germany – not only as a mass medium but also as an art form. The Comic Salon presents a programme that brings together art and commerce, mainstream and avant-garde. The Salon is seismograph and engine of the German comic industry and has reflected all the facets of the genre for almost 40 years. After the festival had to be cancelled for the first time in 2020 due to the Corona pandemic, we again expect around 30,000 visitors for the 20th International Comic Salon in 2022.

The Comic Fair

The core of the Erlangen International Comic Salon is the Comic Fair, located in marquees right in the heart of the city. More than 200 exhibitors – German and international publishers, agencies, comic dealers, comic and illustration classes from universities – present their programmes. Numerous new releases are introduced to the public for the first time and nearly 500 artists from around the world can be experienced in person, drawing and signing their books. A press office, information counter, trade visitor services and conference rooms of various sizes offer all the amenities and services to fulfil the professional needs of all visitors.

The Exhibitions

The distinctive feature of the Erlangen International Comic Salon is the numerous exhibitions spread across the entire city centre. The Comic Salon presents solo exhibitions dedicated to international comic stars, as well as insights into the German speaking scene, newcomers, thematic exhibitions on comic history, comics and new media, computer animation and film. The work of artists such as ATAK, Baru, Benjamin, Christophe Blain, Émile Bravo, Charles Burns, David B., Derib, Hendrik Dorgathen, Anke Feuchtenberger, Flix, Gipi, Greser & Lenz, Reinhard Kleist, Isabel Kreitz, Jeff Lemire, Nicolas Mahler, Marc-Antoine Mathieu, Lorenzo Mattotti, Moebius, François Schuiten, Art Spiegelman, Joost Swarte, Jirō Taniguchi and Jacques Tardi have been featured in exhibitions so far. The Erlangen International Comic Salon also cooperates with local, national and international art institutions.

The Max und Moritz Award

The Max und Moritz Gala in Erlangen's baroque theatre (Friday, 17 June 2022) is the highlight of the Salon. The Max und Moritz Award, presented by the City of Erlangen, is the most important prize for graphic literature in the German-speaking realm. It is awarded in different categories by an independent jury of professionals and plays a decisive role in the recognition of comic art. The prize recognizes the work of outstanding artists, acknowledges exemplary publishing and encourages the debate on graphic literature in general. In previous years, the award for lifetime achievement was presented to Albert Uderzo, Jacques Tardi, Alan Moore, Pierre Christin, Lorenzo Mattotti, Ralf König, Claire Bretécher, Jean-Claude Mézières and Anke Feuchtenberger.

Kinder lieben Comics!

Inspired by an increasing interest in children's comics and a growing number of high quality publications for younger audiences, „Kinder lieben Comics!“ was first launched in 2016 as a festival within the festival. The brand has since established itself excellently and the four-day programme with interactive projects and exhibitions, readings, workshops and live drawing events attracts a large number of families and younger comic fans.

The Supporting Programme

The supporting programme includes lectures, interviews and panel discussions with artists, authors, journalists and publishers, comic readings, drawing competitions and workshops. The Comic Film Fest presents new comic adaptations and animation films – from recent anime to avant-garde. Family Sunday (19 June 2022) offers many activities for children, adolescents and families at reduced admission fees.

Press comments

This Comic Salon was unique. The fair took place in three marquees of various sizes, especially erected for the occasion, and Erlangen's beautiful public gardens became an integral part of the festival grounds. The Comic Salon presented itself in the heart of the city, conspicuously benefitting from all its local advantages.

Süddeutsche Zeitung, June 2018

The real sensation of the past Erlangen Comic Salon was not the new attendance record of over 30.000 visitors or the announcement of the Max und Moritz Awards – it was the overall atmosphere of an event that seemed to have cast a magic spell over the entire city, unprecedented in the more than 30 years of this festival's tradition.

Frankfurter Allgemeine Zeitung, June 2018

The last Comic Salon counted around 30.000 visitors – a new record for the most important gathering of the comic scene in Germany. All sectors and genres were represented in their ever-increasing diversity. A clear signal for the growing significance and strength of comics.

Deutschlandfunk, June 2018

Unlike anywhere else, Erlangen most impressively reveals the diversity of the comic scene. The ninth art's creativity is currently breaking fresh, exciting grounds. This is witnessed in the area dedicated to independent artists as much as in the exhibition grounds that present established publishers.

Nürnberger Nachrichten, June 2018

It is the intimacy that makes Erlangen so appealing – the closeness to both the artists and their "products", displaying the various stages of the creative process, as well as the commercial exploitation.

Die Welt, May 2016

The International Comic Salon Erlangen, which takes place every two years, functions primarily as a seismograph for the development of the German-speaking comic scene.
